MESSAGE FROM M.P. GENG TAN, Ph.D.

I would like to extend my best wishes to everyone participating in today's 2018 **Bridge The Heart** launch event.

I commend the Bridge The Heart team and others, for organizing today's launch. Among other things, this non-profit organization offers peer-to-peer support to young immigrants and refugees through mentorship, participatory civic education, and global citizenship programs.

Canada is fortunate to be a country of great diversity. Ours is a country that understands the importance of community.

It is my hope that this event will prove to be an opportunity for you to build deeper connections with friends, neighbors and community. Thank you.

Sincerely,

Geng Tan, Ph.D.
